

# Workshop on Land Administration Domain Model

Information Communities Working Group (WG7)  
Technical Committee on Geographic Information / Geomatics (ISO/TC 211)  
International Organization for Standardization (ISO)

**Wednesday, November 4, 2009 at 9:00 AM – 12:00 PM**

Hôtel Plaza Québec  
3031, Boulevard Laurier  
Québec City, Québec, Canada

## Chair

Antony Cooper, South Africa (ISO/TC 211 WG 7 Convenor)

## Program Coordinator:

Paul Egesborg, Canada

## Purpose

The purpose of the workshop is to present, describe and explain the proposed Land Administration Domain Model (LADM) standard to a general audience of people interested in land administration.

## Key Objectives

- To communicate recent activities in the development of the Land Administration Domain Model proposed standard;
- To describe and explain specific components of Land Administration Domain Model proposed standard;
- To facilitate discussion and exchange of information about Land Administration Domain Model;
- To provide a meeting and networking opportunity for ISO/TC 211 members, stakeholders and partners.
