How to get to Gyeongju?

The most convenient airport is Gimhae Airport (Airport code: PUS-it is spelled sometimes as Busan or Pusan airport, but they are the same airport). From Gimhae, you can take a limousine bus or a taxi to Gyeongju Hilton Hotel. There are flights from Japan (from Fukuoka, Nagoya, Osaka, Tokyo Airports) to PUS, from China (Hong Kong, Shanghai, Qindao) and from Bangkok Airport directly.

Since there are more flights coming into Incheon (ICN) from abroad, however, you may want to fly into ICN, then fly to PUS directly from ICN (only four flights/day) or to go Gimpo Airport (domestic Airport) by a limousine bus. From Gimpo, there is a flight for every 30 minute to PUS.

If you decided to go to Gyeongju from ICN, please note that there are three other local airports serving Gyeongju in addition to PUS: Pohan, Ulsan and Daegu. See [www.Airport.co.kr/eng/index.asp] for detailed information on any airport in Korea.

We recommend the following choices to get to Gyeongju:

1. Fly into PUS and then take a limousine bus or taxi to Gyeongju Hilton Hotel.
2. Fly into ICN, then take a flight to PUS directly from ICN: There are only four flights from ICN to PUS daily: 7:45 A (KE 806), 8:00 A (OZ 8533); 7:30 P (KE 1401) and 7:40 P (OZ 8531).
3. Fly into ICN, then take a limousine to Gimpo Domestic Airport. It is a nice and smooth 35 minute ride. From Gimpo Domestic Airport, take a flight to PUS which is available every 30 minute. In PUS, take a limousine bus or a taxi to Gyeongju Hilton Hotel.
