Notice of editing meeting ISO DTS 19127, Geographic information — Geodetic codes and parameters

Venue

Gyeongju Hilton Hotel
370, Shinpyung-dong, Gyeongju, KR 780-290

The meeting is in conjunction with the ISO/TC 211 plenary, see document ISO/TC 211 N 1322 for further information.

Start of meeting: 2002-11-11 1300

End of meeting: 2002-11-13 1200

The editing management committee has appointed Dr. Hiroshi Imai as chairman and Ms. Julie Binder Maitra as editor of the editing committee. Each convenor may appoint members from their WG to the editing committees to ensure harmonization with the different ISO/TC 211 standards.

P-members or liaison members may appoint **one** member to the editing committee, preferably one that has been actively working in the project team. The chairman of the editing committee may ask other members of the project team to participate where he finds this appropriate.

Those appointed to an editing committee must participate at the whole meeting. Exceptions are those representing other parts, where participation can be limited to those items that are connected with the project he/she is representing.

Members who want to have a representative at the editing meeting are kindly asked to notify the secretariat (bjs@nts.no) as soon as possible, and **no later than 2002-10-22**.

General information for members of the editing committees is available at
<http://www.isotc211.org/EC/InformationEC.htm>

As soon as the ballot is closed (2002-10-22), the result will be distributed to the members. All appointed members of the EC will also receive information directly.
