Notice of editing meeting PDS 19129 Geographic information - Imagery, gridded and coverage data framework, 2007-10-29/30

Venue

Hyatt Regency Xian Hotel
158, Dongda Jie
Xi'an 710001, China

See documents N 2267 for logistic information, as well as the meeting home page <http://www.isotc211xian.cn/>. Information on hotels is given at the same site. EC members are asked to register through the online registration for the ISO/TC 211 meetings in Xi'an at <http://www.isotc211.org/Xian/Registration.htm>, no later than 2007-09-30.

Start of meeting: 2007-10-29 1330

End of meeting: 2007-10-30 1230

The editing management committee has appointed *Dr. Mohamed Habbane* as chairman of the editing committee (EC) and *Mr. C. Douglas O'Brien* as editor.

Each convenor may appoint members from their WG to the EC to ensure harmonization with the different ISO/TC 211 standards.

P-members and liaison members may appoint **one** member to the EC, preferably one that has been actively working in the project team. The chairman of the EC may ask other members of the project team to participate where he finds this appropriate.

Those appointed to an EC must participate at the whole meeting. Exceptions are those representing other ISO/TC 211 projects, where participation can be limited to those items that are connected with the project he/she is representing.

Members who want to have a representative at the editing meeting are kindly asked to notify the secretariat (bjs@standard.no) as soon as possible, and no later than **2007-10-19**.

General information for members of the editing committees is available at http://www.isotc211.org/Internal/TC211_internal.htm.

The relevant documents for the EC are:

N 1869: New Work Item proposal and PDS 19129 Geographic information - Imagery, gridded and coverage data framework (<http://www.isotc211.org/protdoc/211n1869/>)

N 1929: Result of voting on document N 1969 (<http://www.isotc211.org/protdoc/211n1929/>).
