**Provisional agenda for
meeting of ISO/TC211 Working Group 5
Profiles and functional standards
Kyoto, Japan
September 27-28, 1999**

Please note that the times given below are approximate and subject to change.

The WG 5 meeting will concentrate on development of the Profiles work item, and also the new work item on Qualifications and certification. The status of the latter is not quite clear when drafting this agenda, an update will be given if possible before the Kyoto meeting.

The discussion on the future of WG 5 is divided into two sessions as some aspects might depend on the progress of the Profiles work item.
